

## Find scholarly material using Google Scholar.

Google Scholar – <http://scholar.google.com>

Lots of proprietary publisher materials will appear in the results list. If you are off campus in order to see which of these are available from the MSVU Library you must activate the *Find it @ MSVU* link.

### The Scholar Preferences page appears:

**Library Links** (what's this?)

MSVU | Find Library  
e.g., Harvard

Show library access links for (choose up to three libraries):

- Mount Saint Vincent University (Find It @ MSVU)
- Mount St Vincent University (Full Text@IngentaConnect)
- Open WorldCat (Library Search)

Online access to library subscriptions is usually restricted to patrons of that library. You may need to login with your library password, use a campus computer, or configure your browser to use a library proxy. Please visit your library's website or ask a local librarian for assistance.
